DETAILED ACTION

1. This office action is in response to amendment dated: 3/27//06. Based on this amendment, claim 2 has been cancelled.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Larry G. Brown, Attorney, Reg. No. 45,834, on 6/12/06..

The application has been amended as follows:

Refer to claim 28 line 1. Limitation "capable of" has been changed to "---that communicates with---"

Allowable Subject Matter

3. Claim1, and 3-30 are allowed.

REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or teach directly or indirectly the following limitations:

As recited by claims 1, 19, and 28,

Art Unit: 2617

determining a likelihood that the quality of service values for the wireless communication links with the plurality of access points will have at least a predetermined relationship with respect to the at least one threshold value at a predetermined future time; and
using the likelihood to determine whether to switch communications from the wireless local area network to a different network”.

As recited by claim 21,

“determining a plurality of measured quality of service metrics over a sampling period for each of at least some of the monitored wireless communication paths,

- for at least some of the monitored wireless communication paths, using the plurality of

measured quality of service metrics to extrapolate likely future quality of service values;

- using the likely future quality of service values to determine a probability that at least one of the monitored wireless communication paths will continue to provide viable wireless communication service;

- using the probability to determine whether a wireless subscriber unit presently supporting a wireless local area network communication is likely to soon require a hand off of that communication to the wireless wide area network”.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany

Art Unit: 2617

the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
